New York, New York - Hats off to Broadway! The New York Theatre, Radio City Music Hall, Rockefeller Center and Fifth Avenue shopping are at your fingertips as we explore the sights and sounds of New York City. Join **Judy's Leisure Tours**, on this exciting trip.

1 Early this morning we catch our local flight from **Fargo** to America's largest and most exciting metropolis, **New York City**. We arrive in New York early this afternoon and are met at the airport by our motorcoach. We begin our visit with a view of the city that has overcome adversity to become better and stronger. Our drive will introduce us to the wonders of the Big Apple, and we get our first view of Rockefeller Center and Time Square! We check into the **Edison Hotel**, which is centrally located to the sites of the Times Square area. It is only a 1/2 block off Broadway. This evening we gather for **Dinner** before heading over to the Theatre. We will pick the Broadway play next fall when the new line up for the theatres are announced.

2 We begin our day as our **motorcoach** and **New York Guide** pick us up and we are off to see one of New York's most famous landmarks. The **Statue of Liberty** has symbolized America's welcome for more than one hundred years. **Ellis Island**, the major processing

Statue of Liberty

station for immigrants between 1892 and 1954, stands close by Liberty Island at the head of New York City's Upper Harbor. This afternoon we will finish our **city tour of Upper Manhattan**, including the sites of Ground Zero, Broadway, the Empire State Building, Rockefeller Center, and much more. We visit ground zero viewing the **911 memorial wall** and the **911 Memorial Museum**. The 110,000 square feet of exhibition space are within "the archaeological heart of the World Trade Center site." The museum actually takes visitors underground. We are staying within walking distance of Rockefeller Center, the Museum of Modern Art, Central Park, and many other well known sites. You will have time to explore and shop at your leisure. Fifth avenue is known for its department stores and elegant residences, and is also the site of several world-famous art museums. This evening you will have time to enjoy New York on your own. Perhaps you will want to go to The View, New York's only revolving rooftop restaurant, on the 47<sup>th</sup> floor of the Marriott with dramatic skyline views.

3 You will have a free morning to enjoy the wonders of New York City. You can attend church at St. Patrick's Cathedral or one of the many churches located close to the hotel. Perhaps you want to walk to Rockefeller Center to view the Christmas tree and watch the skaters. The **Empire State Building** is a landmark situated on Fifth Avenue and 34<sup>th</sup> Street, and is 1,250 feet high. The world renowned **Madame Tussaud's Wax Museum**, a leader in entertainment for more than 200 years, has created a world's must-see attraction in New York City, just blocks from our hotel this attraction gives you the rare opportunity to mix, mingle and rub elbows with - a veritable who's who of entertainment, sports, music, and world history. A carriage ride through Central Park could be on

your agenda today. Today we will enjoy another top Musical Broadway production.

North River Landing, NYC's newest waterfront

dining, entertainment and nightlife destination at Pier 81. Featuring 6,000 sq. ft. of bi-level interior dining space and lounge, Fish Bar is housed on a **160 ft. yacht** with expansive menus. This two hour cruise includes a **three-course sit-down dinner and music for dancing**. This cruise around Manhattan offers a spectacular view of New York at night. It will be a magical evening for all.

4 This morning you may want to get up early and go to Rockefeller Center for the Today show, Times Square for the Good Morning America show. Maybe you would like to do a backstage tour of Radio City Music Hall prior to the show. NBC studio tours are also available and located next door to the theatre.

The **Radio City Music Hall Rockettes Christmas**

show, is our last spectacular show before heading to the airport. From the moment you walk into Radio City Music Hall to the very last dazzling dance number, experience the magic that only Rockettes can create. This spectacular precision dance group only performs twice a year, at Christmas and Easter. Not only do we get to see this tremendous show, but we will see the restored Radio City Music Hall.
