Day 1, Friday, June 8: Traveling South on I-94 with our traveling companions we enjoy the view of the countryside. We will stop en-route for you to have lunch, breaks and an **included dinner** before we arrive in **Loves Park** for our overnight stay**.**

Day 2, Saturday, June 9: This morning after our **included breakfast** we head east towards Michigan where we stop in Battle Creek at **Clara's by the River** for our **included lunch**. Located in a renovated train station, Clara's is the go to place to dine in Battle Creek. Later we make our way to Point Edward, Canada where we will stay the night.

Day 3, Sunday, June 10: Today, after our included breakfast, we continue our journey and make our way to beautiful **Niagara Falls**, Ontario. A **step-on-guide** boards our motorcoach for a **city tour** of **Niagara Falls** before we arrive an **included dinner** with a view. We have the opportunity to enjoy the evening view of beautiful Niagara Falls from the **Skylon Tower** before we find our home for the next two nights, the **Holiday inn by the Falls.**

Day 4, Monday, June 11: After our **included breakfast**, we start exploring Niagara Falls with a visit to the **Table Rock Welcome Center** before gathering for our **Journey behind the Falls**. Unlike any other experience you have ever had, this is your opportunity to get up close and personal to the breathtaking falls. Next, we see the falls on the big screen with the interactive **Niagara's Fury**. You will discover the ancient story of Niagara Falls in 4D in the amazing 360-degree multi-sensory theatre. After time on your own for shopping and lunch, we get to see a different side of Niagara Falls at the **Niagara Parks Botanical Gardens & Butterfly Conservatory.** There are no words to describe the serenity and beauty of this conservatory as over 40 varieties of butterflies surround you and, with luck, land on you to say hi. Our extra-ordinary day continues as we take the **Hornblower Niagara Falls cruise** to get as close as possible to the breathtaking flow of water, power and mist that is the magnificent Niagara Falls. After enjoying an evening on your own to dine, shop and explore.

Day 5, Tuesday, June 12: Today after breakfast, we bid fantastic Niagara Falls goodbye as we head west with stops for breaks and lunch en-route towards amazing **Mackinac City**. Tonight, we will enjoy an **included dinner** and **Sunset Trolley Tour**.

Day 6, Wednesday, June 13: This morning, we board **Shepler's Ferry** for our transport to charming **Mackinac Island**. Since motor vehicles are not permitted to intrude on the natural beauty of Mackinac Island, there is no better way to visit this historic isle and see the legendary points of interest than by carriage. You will visit areas that you may not discover on a bicycle or on foot. Our **Carriage Tour** will be expertly narrated, and we will travel in comfortable charming carriages "with the fringe on top." We will enjoy the famous **Grand Luncheon Buffet** at the **Grand Hotel,** the crown jewel of Mackinac Island, and the world's largest summer hotel since 1887. The idea of having a Lilac Festival was developed to bring people to the Island to enjoy a great horse drawn parade amidst the lovely lilacs that fragrance the Island in June. We are here to enjoy the **Lilac Festival Grand Parade,** considered a local legacy. You can watch the parade from our hotel lawn or various spots along the route. You have time to explore the quaint shops and purchase some of their famous fudge. We find our lodging on the island **at Harbor View Inn**.

Day 7, Thursday, June 14: This morning after breakfast we take ferry back to mainland and continue our journey to our night stay, Marquette MI.

Day 8, Thursday, June 15: On our way home we share with new friends our thoughts of amazing Niagara Falls and Mackinac Island. We will make the normal stops in route for comfort as we travel home and look forward to the next time you travel with Judy's Leisure Tours.
