

**Alaska, Double Denali & Glacier Bay Cruise** *Cruisetour #D3L*  
**15 Days/ 143 Nights**  
**June 28-July 12, 2020**  
**Sunday - Sunday**

You will see the many faces of Alaska-by **cruise ship through the Inside Passage - motorcoach through the interior of Alaska** -and by **rail, viewing much of the hidden scenery.** You will experience all of this on your journey to Alaska.

**1** Journey to the great state of Alaska as you fly to **Fairbanks**. You will transfer to your downtown hotel and enjoy your first night's stay in this former gold rush boomtown.

**2** A full-day adventure starts as you step aboard the **sternwheeler Discovery** and **cruise the Chena and Tanana Rivers.** **Lunch** will be included today . Soak up native culture, gold rush history, and local color as you visit a replicated **Athabaskan native village** and view **native crafts**, see **dog sled demonstrations**, as well as **salmon fishing wheels.** At **Gold Dredge No. 8, a National Historic Site**, you'll browse the mining exhibits, pan for gold, and keep whatever you find in your pan.

**3** Today we are off to **Denali National Park**, for your two night stay at this magnificent National treasure, check into your comfortable room and enjoy the rest of the day at leisure. Their **Denali Square** is the ideal place to relax with great dining, quality entertainment and soaring views into Denali Park. Some optional activities include a

helicopter ride, river rafting, horseback tours. For dinner choose from river-view eateries to the rustic family-style barbeque and musical at the Cabin Nite Dinner Theatre.

**4** An early morning departure on the Denali Park **Tundra Wilderness Tour**, with a sack snack. This 6-8 hour fully narrated sightseeing excursion is a deep drive into Denali National Park. This offers the best opportunity to view wildlife. It is rare not to see some combination of Alaska's Big Five; Grizzly Bear, Caribou, Dall sheep, Moose, and wolves. Weather permitting, fabulous views of **Mt. McKinley** will be unsurpassed. Be sure to have plenty of film with you.

**5** Enjoy a morning at leisure then board the **McKinley Explorer**, the largest **domed railcar** on the historic Alaska Railroad route, an Alaska Scenic Byway. Sit back and relax in the observation lounge and watch magnificent scenery glide by. Optional lunch is available. Soak in the magnificent views as you cross the Hurricane Gulch Bridge and glide from one mountain, forest and river scene after another. In **Anchorage** enjoy an overnight stay with mountain views in every direction.

**6** Enjoy a **Portage Glacier Cruise** on the way to **Alyeska Resort** - your 5-star base camp for optional excursions, fine dining, and luxurious spa services.

**7** Enjoy a memorable motor coach tour along scenic **Turnagain Arm** to with a stop at the **Alaska Wildlife Conservation Center** on your way to **Seward**, then

have time to explore on your own.

**8** Consider adding a spectacular **Kenai Fjords National Park** excursion before you board the **ms Westerdam**. While on board the ship all of your **meals and entertainment will be included.**

**9** Enjoy a leisurely day of cruising. In many parts, it's just you, the water, the glaciers and the wildlife. The cruise ship has a variety of activities to keep you busy or you can spend your time on deck enjoying the scenery as you cruise. Keep your eyes open for Whales, as it is not unusual to see them in this area.

**10** **Glacier Bay National Park** has been an irresistible cruise attraction ever since the 1880's. Cruise the ice-studded fjords of this national treasure for a full eight hours as a Park Ranger narrates. Glacier Bay, encompassing more than 25 million acres, this World Heritage Site has more active tidewater glaciers than anywhere on Earth. You are at the face of Margerie Glacier, close enough to hear the glacier groaning and to feel the drifting spray made as a tower of ice the size of a three-story building breaks off and thunders into the sea. When an iceberg is born, the sound is like thunder. You relish every moment, marveling at the sights and sounds of calving glaciers.

**11** **Haines** nestled on the shores of America's longest fjord, is in a spectacular setting. **Fill your day with a float trip through the Chilkat Bald Eagle Preserve which protects the habitat of the nation's avian symbol, or visit the Sheldon Museum, art galleries and local hops in town.** Optional highspeed catamaran access

for shopping and excursions in **Skagway**.

**12** In **Juneau**, the state capital, you will have the opportunity to participate in many exciting things; try a salmon bake - cooked over an alder wood fire, sport fishing, a whale watch excursion, pan for gold, visit the Mendenhall Glacier or try a flight seeing excursion to give you an eagle eye view of the vast Juneau Icefields and Mt. McKinley. The day is yours to explore .

**13** Alaska's "First City" of **Ketchikan** is so named because it's the first major landfall for most cruisers as they enter the picturesque fjords of the Inside Passage, where the town clings to the banks of the Tongass Narrows, flanked by green forests nurtured by abundant rain. Go ashore and explore or shop for souvenirs unique to southeast Alaska. Maybe you want to try your luck at catching an Alaska Salmon.

**14** You are homeward bound today, as you cruise the **Inside Passage**, relax and enjoy the comforts this great cruise ship has to offer. They are designed with lots of open sunlit spaces, wide teak decks and activities to please everyone.

**15** Early this morning you sail into the **Vancouver** harbor, treasuring the wonderful sights and experiences you have shared on your trip to Alaska. You transfer to the airport for your flight back home. Thank you for allowing **Judy's Leisure Tours**, to make your Alaska memories happy ones.
