South Bound

Judy 10 - 17, 2022 Sunday - Sunday

Can't get enough **glaciers, mountains, wildlife and scenery**? Explore the scenic Inside Passage. Dine on freshly caught fish in Juneau. Encounter Skagway's Gold Rush history. And spend a day cruising incomparable Glacier Bay National Park. Experience the frontier towns, sheltered waterways and calving glaciers on this **Glacier Discovery Cruise**, aboard the elegant **Nieuw Amsterdam**. **Alaska "The land of the Midnight Sun"** is truly a unique state, and a must see for everyone. Explore the spectacular sights and sounds, as well as the glacier-clad shores of South central Alaska. **Glacier Bay National Park**, the crown jewel of the inside passage. The ports you visit will be **Skagway**, a Klondike Gold Rush National Historical Park, **Juneau** the State's Capital, and the village of **Ketchikan**, famous for its Totem Poles. This is what you came to Alaska to see, but it's only part of the adventure. You arrive at the port of Vancouver where you will transfer for your return flight home.

**Whittier** Transfer between Anchorage and your ship in Whittier, on one of the most beautiful stretches of highway in America as you follow the Seward Highway, taking in views of the lofty Chugach Mountains and the dramatic shoreline of Turnagain Arm. This remote village is nestled along breathtaking Prince William Sound, home to a stunning array of wildlife, including bald eagles, sea otters and killer whales, so have your camera ready.

An Alaska cruise toward **Hubbard Glacier** feels like you're approaching another planet in a tiny space craft. It is that big and that otherworldly. Among all the vanishing Alaska glaciers, Hubbard has a rapidly advancing ice margin— up to seven feet in one day—earning it the nickname, "the Galloping Glacier."

**Glacier Bay National Park**, close your eyes and take in the sounds—the creaks and groans of "living" ice, the shrill cries of gulls and soaring eagles, the splash of a breaching humpback whale. Frosted peaks towering over mossy forests, wide tidewater glaciers (there are seven in the park), and marine wildlife are givens on Glacier Bay cruises, but every experience in this changing biosphere is unique.

**Skagway**: At every turn, you'll find yourself immersed in gold rush lore, from the infamous Red Onion Saloon that still keeps a pistol that Wyatt Earp left behind en route to the Klondike, to the White Pass & Yukon Route Railroad, a classic narrow-gauge railway that traverses rugged mountains and passes cascading waterfalls and towering glaciers as it connects Skagway to Whitehorse deep in the Yukon. Known as the "Garden City of Alaska," Skagway is filled with beauty and nature.

**Juneau**, Alaska and visit the most remote, most beautiful and strangest state capital in the United States. Surrounded by water, forest and mountain sights, visitors seeking things to do in Juneau indoors and outdoors can hike a glacier, eat fresh-caught fish on a seaside patio and tour a grand capitol building all in one day. You will have the opportunity to participate in many exciting things. The day is yours to explore as you are here all day.

**Ketchikan**, has long been an important hub of the salmon-fishing and -packing industries. Visitors can try their luck at sportfishing. Ketchikan is also one of the best spots along the Inside Passage to explore the rich cultural sights of Native Alaskan nations like the Tlingit, Haida and Tsimshian, and see intricately carved totem.
