After lunch we will have a guided House & Farm Tour, Farm Wagon Ride Tour, a Documentary Film: Genesis & Exodus of the Amish. We will get back on our motorcoach with a guide to enjoy a Countryside Tour which includes a stop at Rentown. This evening after a break at our hotel we have a **Threshers Dinner** served family style in the century old **Restaurant Barn**. After dinner we will see **Plain and Fancy** performed in the majestic 1911 **Round Barn Theatre**.

Day 3, Wednesday, August 21: What an exciting day we have ahead of us! After **breakfast** we head for a visit to the amazing **Creation Museum**. With beautiful dioramas of re-enactments from the Old Testament and other parts of the bible, as well as scenes such as Adam naming the animals and the "catastrophe" of the Great Flood. With animatronic figures, movies and interactive exhibitions plus planetarium, you will be enthralled.

Day 4, Thursday, August 22: After **breakfast** we are on our way to a mesmerizing visit to the **Ark Encounter**.

This incredible structure is over 500 feet long and has 132 "bays" which are used to show models and dioramas of the different animals and life that would have been found on the original Noah's Ark. Each of the 3 decks of the Ark has a different theme and you leave feeling amazed at the scope and depth of this unique attraction. This afternoon we will make our journey back towards home.

Day 5, Friday, August 23: This morning after **breakfast**, our destination is **Waterloo, Iowa**. Tonight we **dine** at **Galleria de Paco** under a recreated magnificent "Sistine Chapel" ceiling, one of the world's most fabulous works of art, which was completely done using the media of aerosol by the renowned Paco Rosic. It is a half-sized replica of Michelangelo's "Sistine Chapel" and artist Paco used 5,200 cans of Krylon spray paint to recreate this masterpiece. We will view a documentary, tour the artwork and enjoy a **three-course meal** in this unique restaurant/art gallery.

Day 6, Saturday, August 24: After a **continental breakfast** this morning, we will enjoy a **trolley tour** through the only manufacturing plant in North America that makes the big green **John Deere Tractors**. **Please note: You must wear closed toe and closed heel shoes or you will not be allowed to go on the John Deere Factory Tour.** Based in Iowa for nearly all its 161-year history, Deere has grown to become the world's **largest** producer of farm machinery.
