Day 1, Tuesday, June 9: Traveling South on I-94 with our traveling companions we enjoy the view of the countryside. We will stop en-route for you to have lunch and breaks before we arrive in **Rockford, IL** for our overnight stay.

Day 2, Wednesday, June 10: This morning after our **included breakfast** we head east towards Michigan where we stop at Battle Creek at **Clara's by the River** for our **lunch included**. Located in a renovated train station, Clara's is the go-to place to dine at Battle Creek. We will make a stop at the **Henry Ford Museum** where past innovations fuel the imagination of generations to come. Later we make our way to Point Edward, Canada where we will stay the night.

Day 3, Thursday, June 11: Today, after our included breakfast, we continue our journey with a stop at **Dundrum Castle** where we will have a guided tour of this 40-room Italianate-style villa built in the 1830's on Burlington Heights; the former site of a fortified military encampment established by the British during the War of 1812. Then we make our way to beautiful **Niagara Falls, Ontario**. A **step-on-guide** boards our motor coach for a **city tour** of **Niagara Falls** before we arrive for **dinner included** with a view. We can enjoy the evening view of beautiful Niagara Falls from the Skylon Tower before we find our home for the next two nights, at the **Holiday inn by the Falls**.

Day 4, Friday, June 12: After our **included breakfast**, we start exploring Niagara Falls with a visit to the **Table Rock Welcome Center** before gathering for our **Journey behind the Falls**. Unlike any other experience you have ever had, this is your opportunity to get up close and personal to the breathtaking falls. After time on your own for shopping and lunch, we get to see a different side of Niagara Falls at the **Niagara Parks Botanical Gardens & Butterfly Conservatory**. There are no words to describe the serenity and beauty of this conservatory as over 40 varieties of butterflies surround you and, with luck, land on you to say hi. Our extraordinary day continues as we take the **Hornblower Niagara** Falls cruise to get as close as possible to the breathtaking flow of water, power and mist that is the magnificent Niagara Falls. After enjoying an evening on your own to dine, shop and explore.

Day 5, Saturday, June 13: Today after breakfast, we bid fantastic Niagara Falls goodbye as we head west, we will make a stop at **Marshall's Fredricks Sculpture Museum** before arriving in **Mackinac City**. Tonight, we will enjoy **dinner included**.

Day 6, Sunday, June 14: After breakfast we board **Shepler's Ferry** for our transport to this charming **Island**. Since motor vehicles are not permitted to intrude on the natural beauty of Mackinac Island, there is no better way to visit this historic isle and see the legendary points of interest than by carriage. Our **Carriage Tour** will be expertly narrated, and we will travel in comfortable charming carriages "with the fringe on top." Next You are transported back to days of the past, with grand hotel dining room, and wonderful servers at our **included lunch buffet** at the marvelous **Grand Hotel**.

Day 7, Monday, June 15: This morning after breakfast before we leave the Island we will visit **The Fort**. The Fort was more than just a military outpost, Fort Mackinac served as a home for soldiers and their families and eventually the headquarters for Mackinac National Park, where tourists to the island visited the great fortress on the bluff, much like they do today. They will have cannon blasts, rifles of fire, soldiers march and history will come alive. It is the oldest building in Michigan. We will then make our way to **Marquette, Michigan**.

Day 8, Tuesday, June 16: We share with new friends our thoughts of amazing Niagara Falls and Mackinac Island. We will make the normal stops in route for comfort as we travel home and look forward to the next time you travel with Judy's Leisure Tours.
